Constable, HL Sythean Lina Chandler:

- Thank you to those of the Shire who helped at TMT. Takashi taught a class for constables on interpersonal relationships, for which Sythean

Historian, Lady Lydia de la Mer:

Nothing new

Archery Marshal, HL Kateryna atte Hagenes:

- Will be holding archery practices every Wednesday evening. Eithne asked if she wanted the practices added to the Shire Calendar, to which she agreed.
- The archery group might have a field trip to Darkwater.
- Eveleen offered to put a map to the practice in the Event post as the site is not easy to find. GPS isn't very accurate there.
- Syr Geoffrey may have some loaner gear to offer.

Events:

Bungle in the Jungle

- Duchess Larissa's bid is accepted.

Old Business:

- none

New Business:

- Welcome to our visitors, Debbie and Walter. When asked to introduce themselves and tell what they are interested in, Debbie said she was a tablet weaver and is interested in calligraphy. Walter is interested in herbs and handcrafts.
- Lord Takashi is working on a bid for Cattleraid in February. He would love to see another bid come in, as well.
- The 3rd Sunday Fighter Practice this month is Father's Day. Since Lord Gavin would love to spend Father's Day in armor, Lady Isabelle is taking point on the revel for that practice and will bring birthday cake, paper plates, and plastic forks to celebrate Dom's 4th later this month. Bring your own drinks. Notify her if you want to lead a demo of an art or craft. There will be lots of premiere knights. Mor will bring their pavilion. Lord James of Sherwood asked for advance notice if the Big Pavilion is needed, as it might be rented.
- Syr Geoffrey said that he and Mistress Genevieve has been holding an arts night for about 2 years now and that they were running out of topics. Unless someone had something for this month, they were going to take a

- break. They requested people send in what kind of classes they would like to take or to teach.
- Lady Lydia saw 2-gallon water containers on sale and wondered if any were needed for Fighter Practice. Lady Nicole had donated a container, the Marshal has containers for the fighters and will bring them, and Lord Takashi often brings their container so it was determined we had plenty. The Castellan noted that he needed to know about the containers for the inventory.
 - At Shire Night Out (SNO), we had over 25 people last time. HL Sythean requests that more people wear garb. Every 4th Friday, 7pm at the Barnes & Noble on Merritt Island. Go to either Steak & Shake or Appleby's after B&N closes.
 - The Seneschal cautioned everyone to stay safe and hydrated.
