Events:

The Boy Scouts have requested a demo on October 26th at Wickham Park as part of their "Cubs of the Round Table". They would like fighters, people to talk to about personas, arts and sciences setups (particularly things that kids could do also). Time frame could be in the morning between 9 am and noon or in the afternoon between 1-4.

HL Sythean expressed concern due to the Kingdom Hospitaller saying in her classes that demos with the Boy Scouts, Girl Scouts, and schools were not effective in recruiting, that they were the wrong demographics.

Lady Lydia's concern was that since the SCA is an educational non-profit group that we should be doing some work like this to fulfill that intent. Syr Geoffrey suggested that this could be good practice for NerdFest. Various people added that we could practice presentation, correct things to say (and not say), cool armor, good dress, ambiance, all of which would help with NerdFest.

Question was raised what exactly the Boy Scouts would want and how long they would want us (half-day, whole-day). Lord Takashi will email or call and follow up on this.

Future Events:

We need bids for our future events. Please submit your ideas for new events and bids via e-mail to Seneschal@Starhaven.Trimaris.org.

Old Business:

Syr Geoffrey and Mistress Genevieve stated that there has been no interest shown in classes at present so they are closed until further notice.

New Business:

Lady Alane brought a variety of items for giveaway/largess/tokens, etc.

Meeting Closed at: 7:32 by Lord Cormac mac Culeon.
