Due to the number of new people at the Meeting, Sir Trude requested that everyone introduce themselves and the officers state their Office and give their reports as well.

Absent due to a work schedule change.

Exchequer, Honorable Lady Eveleen Woderose:

Herald, Don Davius St. Jacques:

Have a device submission (Lady Alane) and a clarification (Lady Alane's name). The Heraldic College requests that people make a heraldic will, saying that a specific individual can have their persona name and/or device or give a blanket release for both. This will save trying to find an executor who can release them. Don Davius agreed to send the information to HLady Eithne who will add the information on setting up such wills to the Starhaven Website.

Knight Marshal, Lady Syele die Rôt:

Absent.

Arts & Sciences, Lady Isabelle de Saint-Gatiens:

Equestrian Adventure, Baroness Chiere wreic Maredudd, Autocrat:

Baroness Chiere showed pictures of the flooding at Madison Ranch. The water is ankle-deep in places and water mocassins abound. The ground is very slippery; her horses were running, slipped, and skidded on their sides for a distance. Need to cancel the event for safety reasons.

Sir Trude agreed that, for the safety of the participants and the horses, the event should be cancelled. She [**NoHun thinks Don Davius**] asked about rescheduling. There was quite a bit of discussion about rescheduling and some dates were suggested.

Baroness Chiere replied that the horses couldn't handle heat, which cut out summer dates, and the winter tourney schedule was busy. Lady Ella added that it would cost another \$100 for insurance for changing the date.

Sir Trude requested the receipts for the event. Baroness Chiere replied that she preferred to give the receipts to Sir Trude since she didn't know when she would see HLady Eveleen and asked for consideration on some small expenses.

Bungle in the Jungle, HLady Sythean Lina Chandler, Autocrat:

HLady Sythean reported that there was a meeting on the staff at Shire Night Out. The Classcrat has 1 tentative class, working on getting others. The Battlecrat is working on strategies. The menu is good. Going to get a tentative schedule up on site.

Don Davius asked if the fighting is still only heavy. HLady Sythean was uncertain about other forms being available.

HL Kateryna stated that, while there is an archery range on site, if the archers have to go to the range in garb, they have stated they would prefer to save their money and go to the range in jeans. They are talking about having archery classes instead.

Old Business:

New Business:

Daniel van Hessen stated, as a member of the Order of the Guard, Trimaris, that all practices are encouraged for War practice and all martial forms are encouraged at all events.
